DEACON SEMINAR

Helping church leaders and advisors navigate financial adversity and prosperity in our congregations

DEACON SEMINAR

June 22 - Ephrata, PA
June 24 - Chambersburg, PA
July 27 - Seneca Falls, NY
September 23 - Halsey, OR

Our church groups believe in offering counsel and support to members who struggle financially. Deacons and other individuals are asked to serve as financial counselors, advisors, or trustees. Helping in this way is an act of service, but often the problems are challenging and complex—personal, financial, and spiritual issues are usually mixed together. The Deacons Seminar* addresses this need and provides basic training for working with those who have financial difficulties.

We also face the challenge of living in an affluent age. Jesus teaches that the more we have, the more responsible we are as His stewards. This seminar also covers topics to help guide and inspire leaders in directing the church toward stewardship living.
